

Atlantic Resolve

Since April 2014, U.S. Army Europe and Africa has led the Department of Defense's Atlantic Resolve land efforts. Atlantic Resolve provides rotational deployments of combat-credible forces to Europe to show our commitment to NATO while building readiness, increasing interoperability and enhancing the bonds between ally and partner militaries.

As of Nov. 2021, the newly reactivated V Corps has assumed command and control of all Atlantic Resolve rotational forces.
